## **KENT UNITARIANS – IMPACT OF LOCKDOWN**

Dear Friends,

Following changes to Government guidance, we are gradually re-opening the Unitarian Meeting Houses and Churches in Kent for worship.

We will continue social distancing measures to some degree, at least for August and September, but the opportunity to gather once more for worship, community and conversation will be welcomed by many.

In these early days, are opening the Chatham, Sevenoaks and Tenterden Meeting Houses on the first and third Sundays. Dover is meeting each 3<sup>rd</sup> Sunday. Maidstone will reopen soon.

Since March 2020, we have developed our online presence, with a regular Service issued on YouTube. The entire collection of videos can be accessed from our Website, or here: <https://www.youtube.com/channel/UCscv5sTsGf3BqRXwSJUrnw> We will continue to provide these on a fortnightly basis.

Please let me know if you wish to be included on email messaging regarding opening and online Services.

with good wishes,

Daniel
